FAQ

Is DROP-INN service a Stationary Salon?

Our mobile grooming van will arrive promptly at the designated address and park on the street. Please note that this is not a physical shop, but a mobile grooming van.

Do You Put Pets In a Cage?

Our grooming service is exclusive to your pets. Only they are permitted in the grooming van during their session. This exclusivity ensures that each pet receives our undivided attention and care. As a result, the grooming process may take between 60 to 90 minutes for small to medium-sized pets.

Do you offer fixed prices?

The standard rates listed in this document are subject to increase by up to 25% for pets with special temperaments or coats that are severely matted or require excessive shedding maintenance. These cases take more work and time.

Please contact us immediately if your pet presents one of the following:

- * Aggressive behavior**
- * Overdue or matted coat**
- * Medical Condition**
- * Fleas/ticks**

We are not prepared to safely handle pets under certain conditions; please check with groomer before the appointment day.
